Foreward

A Cape Cod cook book! you who stray
Far from the old sand-bordered Bay,
The cranberry bogs, the tossing pines,
The wind-swept beaches frothing lines,
You city dwellers who, like me,
Were children, playing by the sea,
Whose fathers manned the vanished ships—
Hark! do I hear you smack your lips?

A Cape Cod cook book! My oh my!
I know that twinkle on your eye,
And why you're pricking up your ears,
You've turned the clock back thirty years.
I know that smile of yours; it tells
Of chowder, luscious as it smells;
And when you laugh aloud, you dream
Of berry dumpling, bathed in cream.

A Cape Cod cook book! Why, I'll bet
The doughnut crock could tempt you yet!
Those Cape Cod doughnuts! Yes you'll take
A few of those, and then some cake—
The frosted kinds—and—let me see—
Some pie, of course, and—Mercy me!
You can't go on; it wouldn't do!
One takes on weight at forty-two.

A Cape Cod cook book! Here they are!
A breath from every cookie jar,
A whiff from ovens spicy sweet,
Two hundred secrets—good to eat!
Thanksgiving, clambake, picnic grove,
Each lends a taste, a treasure trove;
And here they are for you to buy—
What's that? You've bought one? So have I.

POLLY'S NUT BREAD.—Two cups of graham and one cup of white flour, one-quarter cup of sugar, one teaspoonful of soda and one-half teaspoonful of salt. Sift together and add any bran that may remain in the sifter. Add one-half cup of molasses, one and one-half cups of sour milk and one cup of walnut meats. Bake in bread pan three-quarters of an hour.—[* * * *]

MAPLE SUGAR BISCUIT.—One pint of flour, two rounding teaspoonfuls of baking powder, one-quarter teaspoonful of salt. Sift together and add one rounding tablespoonful of butter worked into the flour, add one-half cup of maple sugar broken in pieces the size of a pea. Add a half cup of milk and enough more to make a dough a little stiffer than for biscuits. Work on the bread board till well mixed. Roll and cut with small biscuit cutter. Bake in a quick oven. If made and baked right this will be like baking powder biscuit with brown spots of melted sugar through them.—[Mrs. E. A. Handy.]

VIRGINIA BATTER BREAD.—One quart of milk brought to the boiling point, one pint of corn meal, butter the size of an egg, one teaspoonful of salt. Cook and stir like mush. When cold add six eggs well beaten, one pint of cream or buttermilk in which a teaspoonful of soda has been dissolved. Put in a baking dish and cover till it rises. Bake.—[Mrs. J. D. Livingston.]

WHAT WE COOK

IMPROVED POPOVERS.—Two eggs beaten very light, one and one-half cups milk, one and one-half cups pastry flour, one-half teaspoonful salt. Beat together with an egg beater five minutes. Grease the cups and set on the stove to heat. Drop a piece of butter the size of a pea in each cup and let it melt. This gives a crisp crust to the popover. Bake in stone cups half an hour or until they are firm and will not fall when taken out.—[Mrs. E. A. Handy.]

WHOLE WHEAT BREAD.—Three cups of whole wheat flour, three teaspoonfuls of baking powder, one-half teaspoonful of salt, two teaspoonfuls of sugar, milk. Sift together thoroughly the flour, baking powder, salt and sugar, add enough milk to make a dough just stiff enough to handle conveniently. Shape into a loaf and place in a deep, buttered pan, handling as little as possible. Allow it to stand five minutes before putting in the oven. Bake slowly and for a longer time than for white bread. Protect the loaf with a piece of buttered paper, putting the buttered side next the bread.—[Mrs. H. M. Hutchings.]

BROWN BREAD.—Three cups of rye meal, three cups of corn meal, one pint of molasses, one quart of sour milk, half cream if possible, one teaspoonful of soda, salt. Steam five hours.—[Mrs. Vaughan Bacon.]

SALLY LUNN, FOR TEA.—Three eggs well beaten, one cup of warm milk, two tablespoonfuls of butter, two tablespoonfuls of sugar, one-half an yeast cake, three cups of flour. Set to rise about twelve o'clock and an hour before supper put in muffin pans to rise again for half an hour, then bake.—[Mrs. George Hussey.]

ON CAPE COD

OAT MEAL BREAD.—Pour one quart of boiling water over one pint of Quaker Rolled Oats. When luke warm add one small cup of molasses, one-half of a yeast cake dissolved in one cup of water, one teaspoonful of salt, two quarts of flour sifted or cut in. Let rise over night. Do not stir or knead in the morning. Let it rise a short time in pans before baking. This makes one dozen muffins or two loaves.—[Mrs. Ruth E. Chipman.]

***TOGUS BREAD.**—Two cups of Indian meal, one cup of flour, two cups of sweet milk, one cup of sour milk, one-half cup of molasses, salt, one tablespoonful of soda. Boil four hours. Put in the oven if you like.—[Mrs. J. M. Day.]

***SCOTCH BREAD.**—One pound of flour, scant half cup of sugar, half a pound of butter. Mix butter and sugar, then add the flour; mix without liquid until it is a smooth paste. Roll out, not too thin; nip round the edges.—[E. L. F.]

SOMETHING NEW IN CORN BREAD.—One and one-quarter cups flour, three-quarters cup corn meal, two teaspoonfuls baking powder, one-half teaspoonful salt. Sift together and work in two tablespoons butter. Add one well beaten egg and one-half cup milk. Beat all together and drop in spoonfuls on buttered tin. Bake in moderate oven.—[Mrs. E. A. Handy.]

Three cups of flour sifted with two teaspoonfuls of baking powder, add to butter and sugar. Add to this three well beaten eggs and enough rich milk to make a dough stiff enough to handle. Roll dough to fit pans. Slice apples very thin and lay them on the dough plentifully; sprinkle with a little cinnamon and sugar. Bake in a medium oven.—[Mrs. M. A. Timken.]

CREAM BISCUIT.—One quart of flour, four teaspoonfuls of baking powder, one teaspoonful of salt, sift twice, one-quarter cup of thick cream and enough milk to make a stiff dough. Work on the board a few minutes and cut with small round cutter. For picnics try cutting these or any baking powder biscuit the size and shape of half a slice of bread. Also try rolling the dough rather thin and spreading one-half with chopped ham, lay the other half on top and cut in squares and bake.—[Mrs. E. A. Handy]

Beat this into the dry mixture and pour into a hot frying pan in which there is a large tablespoon melted butter. Boil the beets separately, boil the onions in a bag with the potatoes. Cut the pork in small squares and fry to extract the fat. Serve all hot. WHAT WE COOK

PICKLED OYSTERS.—Put a cup of cold water into a sauce pan with a cup of vinegar, let it boil up and skim. Fry the pork and onions together but do not let them brown. Cook the oysters in their own liquor until just plump and add the pork, onion and potatoes that have been boiled till tender. Mix in the cracker crumbs and hot milk. Let the chowder stand where it will not cook for half an hour. This “ripens” it and brings out the flavor.—[Mrs. E. A. Handy.]

YACHT OYSTER SOUP.—Two quarts of milk, one head of celery, one-half pound of butter, one cup of rolled crackers, salt, a pinch of red pepper. Boil the milk with the celery, strain off the celery, set the milk back on the stove, add the butter and the seasoning, one hundred small oysters. Let it simmer a little till the edges of the oysters curl. Thicken with the cracker and serve at once. Old-fashioned receipt.—[Grace B. Holway.]

STUFFED OYSTERS, A SOUTHERN DISH.—Fry one small onion chopped fine and a little parsley in one tablespoonful of butter. Wash and drain one quart of oysters and chop with two slices of toast, season with salt and red pepper, mix with the onion and cook until it does not taste raw. Fill shells with a mixture, cover with cracker crumbs and butter. Bake till brown.

WHAT WE COOK

OYSTER SHORTCAKE.—Make a good biscuit crust, roll out in two rounds. Put one in the pan and spread with soft butter, put the other one on top and bake. Cook one quart of oysters in their own liquor, drain and keep the oysters hot. Cook five minutes, then add the quart of milk, and when it comes to a boil add butter, cracker and pepper. Enough for six or eight persons.—[Mrs. E. D. Crocker.]

PLANKED STEAK.—Rub a two-inch plank with olive oil to prevent its burning and heat it in the oven for half an hour.
